

### **MyAndaman List Of Hotels and Resorts**

**Important Notes:-**

Categorization of hotels and resorts are purely based on average room cost and not on the actual hotel rating or actual star categories. In Andamans only a few hotels carry actual star rating and all other are self claimed based on its facilities.  
Resort in Neil Island and Long Island are Fan Cooled (Non AC), otherwise all resort/hotel are AC unless specified as NAC/Non AC/Fan Cooled. It is possible that your choice of hotel/resort is not listed below but we can also book your choice of hotel or resort.
